

Dear Broadway Gym Families,

Broadway Gymnastic School (BGS) will be closed effective tomorrow, Saturday, March 14, 2020 through March 31, 2020.

We have come to this decision based on our commitment to our staff, students, and the entire Broadway Gym community. For the last 40 years, the health, safety and well being of the entire BGS family has always been a top priority. In this unprecedented situation we have no choice but to close our door at this time.

Our intent is to reopen on Wednesday, April 1, 2020. BGS management will be constantly reevaluating the Covid-19 situation moving forward and will be updating you.

Thank you for your understanding during these difficult times. The coaches and staff look forward to welcoming everyone back to the gym soon.

Sincerely,  
Michael and Mary Cates
